Good morning, everyone,

As we wrap up another successful fiscal year here at The Lending Cupboard™, we want to take a moment to acknowledge the incredible work of our staff, volunteers, and Board of Directors. Without their dedication and hard work, we wouldn't be able to achieve the impact we do. So, a big thank you to every one of our incredible team!

We're also excited to share our annual report with you. It's been a year of growth and progress, and we couldn't have done it without your support. We encourage you to look and see the difference we've made together.

Speaking of support, we want to express our gratitude to everyone who has donated to our organization. Your contributions help us to continue our work and create a positive impact in our communities. Just knowing that a piece of medical equipment, such as a wheelchair or walker, is available when needed and at no cost is such a tremendous relief to the many individuals that we continue to support.

Finally, we want to remind you of the importance of fundraising events. These events provide crucial financial support for our organization, unite our community, and create camaraderie and shared purpose. One of these events is the excellent support from the Cow Patti Theatre in Central Alberta. Below is more information about an upcoming performance, where a portion of ticket sales is donated back to The Lending Cupboard™. Please consider joining us.

Thank you again for all your support, and we look forward to another successful year ahead! Wishing you all a warm and wonderful weekend. Happy Friday!

With sincere gratitude,
