As I sit here and take in the quietness of this morning, my mind is filled with words like joy, peace, gratitude, love, and kindness. It's been an eventful week at The Lending Cupboard™, with everyone coming together to celebrate the holiday season. Our team has been having fun with the season by wearing Christmas sweaters and attire, and it's just amazing to see the enthusiasm that everyone has brought in. The creativity that has come to life is really neat to see. It is our pleasure to share some of those memories with you below!

Our team's kindness to our community has been even more impressive. Every time someone visits us looking for equipment, we take the time to show compassion and understanding, and it fills our hearts with joy to know that we are making a difference in the lives of our community members.

We're grateful to our community and supporters for their generosity and for making our

GivingTuesday campaign successful. Your support and belief in our mission and community have been overwhelming, and we are quite simply overwhelmed by your support. Thank you for being a part of our journey and helping us tell the TLC story.

As we gather around our tables to enjoy the holiday feasts, we acknowledge there will be some empty seats that were once filled. We understand that this can be a difficult time of year for some, especially for those who have lost loved ones. We hope you will find comfort and peace this holiday season and cherish the special memories you have experienced. May you be surrounded by love and kindness from those around you.

Thank you for making 2023 an incredible year here at The Lending Cupboard™, and we wish each of you a very merry Christmas and a happy, healthy 2024!

With sincere gratitude,

Lori Shatto

Happy Holidays!
