Good morning!

Well, it has been another busy week at the Cupboard. This week we looked back at another fiscal year at TLC during our Annual General Meeting and we also saw the release of our 2021-22 Annual Report. I am pleased to provide a copy for your reading in this week's edition of A Cup of Coffee with the Cupboard.

This week we also celebrated the retirement of Dawna Morey, TLC's Executive Director from 2015 to yesterday. We celebrated her leadership and vision that she brought to TLC over the years.

Thank you, Dawna for being a part of the TLC story - we are grateful for all of your contributions. We wish you the very best in the next chapter of your journey!

Wishing you all a wonderful week - see you soon at the Cupboard. We are here to help!

Hope to see you soon!

Lori Shatto

Here's a photo of Dawna with Red Deer Mayor Ken Johnston during the retirement party on Oct. 20. Congratulations, Dawna! We wish you all the best!

November 17 - December 18th

A Canadian curling love story from Canada's hottest new comedic playwright. With all the warmth and camaraderie of a great evening at the curling club, this zinger of a comedy is a hilarious and heartwarming story of second chances and finding love that you won't want to...skip.

After a "Rocky" split between Bill and Sandy, will things come together for their curling teams, as they desperately attempt to put together a winning foursome with the most important bonspiel of the year just around the corner? Can this ragtag team of curlers face their personal differences, battling on and off the ice with long held sibling rivalry and lingering feelings of love in order to bring home a win?

You can join our terrific team of volunteers for a few hours each week, or you can make a donation!

INVEST IN YOUR COMMUNITY.  
INVEST IN THE LEGACY.

Help us to provide safe, clean, and reliable equipment for you and our community.

Become a donor today!

We can't say it enough - without the support of our community,

we just wouldn't be able to do what we do here at The Lending Cupboard. We also want you to know how your support truly makes an impact. We hear it every day!

Folks come in with injuries, or they might be facing surgery. They leave here with the equipment they need, and they are relieved and grateful.
